Foreword . . .

Truly, a school might be called a mill of the gods, for the destinies of many who walk through its doors are ground exceedingly fine. Unlike other buildings which are identified with the era in which they are built, the school belongs to no period of time; simultaneously, it is of the past, present and future. Within its walls tradition and innovation commingle, constantly modifying and refining each other. It is at once a memorial to the past and a blueprint for the future.

Homecoming 1960

HOMECOMING QUEEN, MARY LYNN POOLE

October 14, 1960, will certainly be remembered by this year's Homecoming Queen, Mary Lynn Poole, as quite a memorable night. Members of her court were Deanne Rosenow, Elizabeth Tobias, Johanna Helper, Marilyn Peterson, Ginger Bergmann, and Linda Gesten. The Beloit Knights displayed its most destructive offensive power in many a year as they clearly defeated Racine Horlick 33-7.

A Tribute

We of the Beloit staff think that we are representing the desires of a great many people by paying special tribute to Miss Orpha Thompson, who, after serving the community and Beloit school system for over 40 years, is retiring this June and moving to California. We know that her sincere desire to be the fine teacher she has been has won her the respect and admiration of all who have known her. She has been appreciated, she will be missed. To dedicate the yearbook to her this year would be redundant; the staff of 1949 has already done that.

Born in Beloit, Miss Thompson received her education in its public school system, attending Hackett grade school and Beloit High School. Continuing her education at Beloit College, she received a B.S. from there in 1917. After teaching in Illinois for one year, she returned to Beloit and has been teaching here ever since.

During the years of teaching, she spent several summers at the University of Chicago. The summer of 1928 found her in summer school at Oxford, England.

In later years we do not think of the high school's math department without thinking of Miss Thompson, who has taught plane and solid geometry, advanced algebra, and trigonometry, but during the years of World War I, she taught English composition, journalism, and acted as advisor to THE INCRESCENT. Besides her teaching duties, she has served as senior advisor, Girl Reserve Advisor, as member on the Mathematics Curriculum Committee, and as chairman of the Scholarship Committee.

Miss Thompson is a third generation member of the First Presbyterian Church of Beloit. She belongs to the Daughters of the American Revolution and the Business and Professional Women's Club. Traveling has been a diversion for her, she has visited the west coast of our country, and very recently, has vacationed for two summers in Europe.

We have asked Miss Thompson to express some of her ideas and thoughts as she bids us farewell. She has complied with the following words:

"Forty-three years of teaching Beloit have given me a basis for several philosophical conclusions which I should like to pass on to my young friends:

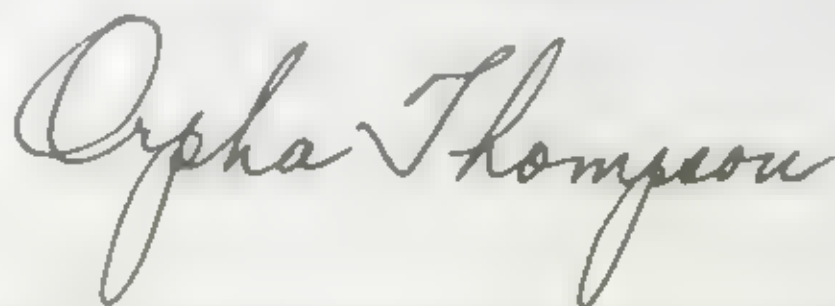

There is a great happiness in doing a job in which one believes, and to which one can devote his best efforts.

There is almost parental satisfaction in seeing one's former pupils find such a job, and achieve in it far greater fame and financial success than has been possible in the teaching profession.

The fine students who seriously and wholeheartedly seek to get the most out of their opportunities are in a greater majority than they were in the youth of the parents of the present generation. The talk of "Juvenile Delinquents" does not impress me.

Beloit is a friendly place to teach, with fine rapport among administrators, teachers, parents, and students. The kindness and sympathetic understanding which has surrounded the staff, the careful planning for essentials combined with the frugality necessary in an industrial town with low tax base, and the genuine concern for the future of our young people on the part of those responsible for Beloit's schools, have made them the best in the country, and I am proud to have had a part in them for so many years. It is with fondest memories that I take my farewell."

Sincerely,

To "Miss Orpha"

Miss Orpha Thompson

TEN YEARS

Ten years ago, when Beloit Memorial High School opened, today's seniors were second graders scattered throughout the city and nation.

Since that time you have grown in stature and knowledge and have seen the beginning of the Space Age as well as the emergence of Communism as a constant threat to world peace, a new era with changing frontiers of space in a truly small world in which ideas and ideologies of any person can be communicated to all mankind within a matter of minutes and man can fly to any point of the earth within a single day.

We are genuinely proud to note that twelve students have qualified in the National Merit Scholarship semi-finals.

The Board of Education is keenly aware of its obligations to the youth of Beloit and is proud to have played a small part in providing educational opportunities for your growth. It is our hope that the basic fundamentals and concepts of education provided by the school system will be of lasting value as you face New Frontiers.

Memorial High School has experienced its first decade of educational experiences with outstanding success.

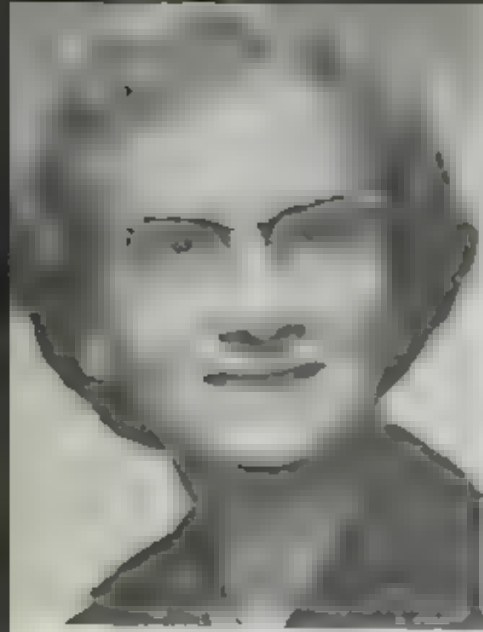

If a building could but write, what a fascinating book would result, such a book would reveal examples of frustration, satisfaction, courage, loneliness, fear, happiness, sorrow, and intellectual curiosity which existed from time to time in the minds and hearts of all students.

Undoubtedly the last chapter would express gratitude for the very noticeable improvement in attitude of the student body, the higher standards of achievement and the increased strength of the faculty.

The last paragraph would reveal, as an appropriate climax at the close of the first decade, the fact that Memorial High School qualified more students in the National Merit semi-finals than any other high school in southern Wisconsin or northern Illinois.

The last sentence would probably read, "We salute the students and teachers of Memorial High School in their team work in producing an institution of exceptional quality!"

Class of '61

CLASS OFFICERS

Arthur Rhodes, president, Nan Porter, secretary, Stanley Jorgensen, vice president

The great class of '61 finally makes its exit from Beloit High but we'll always remember the people and events that have made our class. Our first major achievement was taking top honors with our first Homecoming float, "We'll Cool The Devils." As insignificant sophomores we also felt pretty proud of our four varsity basketball players, Art Rhodes, Stan Jorgensen, Jessie Harrell and Norm Johnson. Homecoming 1960 was a big event for us too, as the class-of-'61 float again took first place to glorify homecoming queen Mary Lynn Poole's reign. Between our junior and senior years the class got together to raise Commencement Capers' funds through car washes, a summer dance, and the sale of first aid kits, flares, and food at a Jaycee booth on the river. Through their leading roles in the play, "The Robe," David Grandeffo and Wayne Wahberg gave evidence of the class' dramatic talents.

There are too many things and people that have made these past three years happy, or at least memorable, for us, we can't record them all here, but I know we all will remember the things important to each of us.

Secretary-treasurer,

Nan Porter

LAUREN DIETZMAN

February 24, 1945

October 29, 1960

In Memoriam . . .

Lauren Dietzman, a member of the junior class, was killed in an automobile accident on October 29, 1960. She was an honor student, a member of the school chorus and orchestra, the Latin club, and the girls' intramural association. She was a member of St. John's Lutheran church where she taught Sunday School in the kindergarten department and sang in the church choir.

She is missed; she will be remembered.

Class of '62

CLASS OFFICERS

Gene Fiese, president, Bonnie Churchill, secretary, William Wells, vice president.

We, the class of "62", started the year by electing as our class officers, Gene Fiese, president, Bill Wells, vice president, and Bonnie Churchill, secretary-treasurer.

Homecoming, 1960, will be long remembered by all. We won our game. With the help of many juniors, the varsity team won a 33-7 victory over Racine Horlick. Hard work by many juniors paid off when our class float won second prize. Marilyn Peterson and Johanna Hepler served as attendants on Queen Mary Lynn's Homecoming court.

This year's all school play, "The Robe," was a big success partly due to the hard work of a number of juniors in the cast and crew.

Among many of the memories that we will long hold is the Junior-Senior Prom. Our class ring will remind us of our junior year. While we will never forget it, we shall look forward to 1962 when we shall be seniors.

Class of '63

CLASS OFFICERS

William Magill, president, Sue Holloway, secretary, William Anderson, vice president,

As a freshmen of Belmont Memorial High we have had many new experiences this past year.

To begin the year we elected our class officers. They are as follows, Bill Magill, president, Bud Anderson, vice president, and Sue Holloway, secretary-treasurer

Our homecoming game will always be remembered. Ginger Bergmann and Linda Gjeston represented us on the queen's court.

The all school play, "The Robe," was one of the finest plays put on by high school students and many sophomores had a chance to show their acting ability.

We are very proud of our football and basketball teams, since they have played well, but we are looking forward to even a better season next year.

The class of '63 will remember the good times had by all and we are looking forward to our junior year at B.H.S.

Secretary-treasurer,

Sue Holloway

DEAR UNCLE GEORGE . . .

"It is our joy in life to find
At every turning of the road,
The strong arm of a comrade kind
To help us onward with our load.

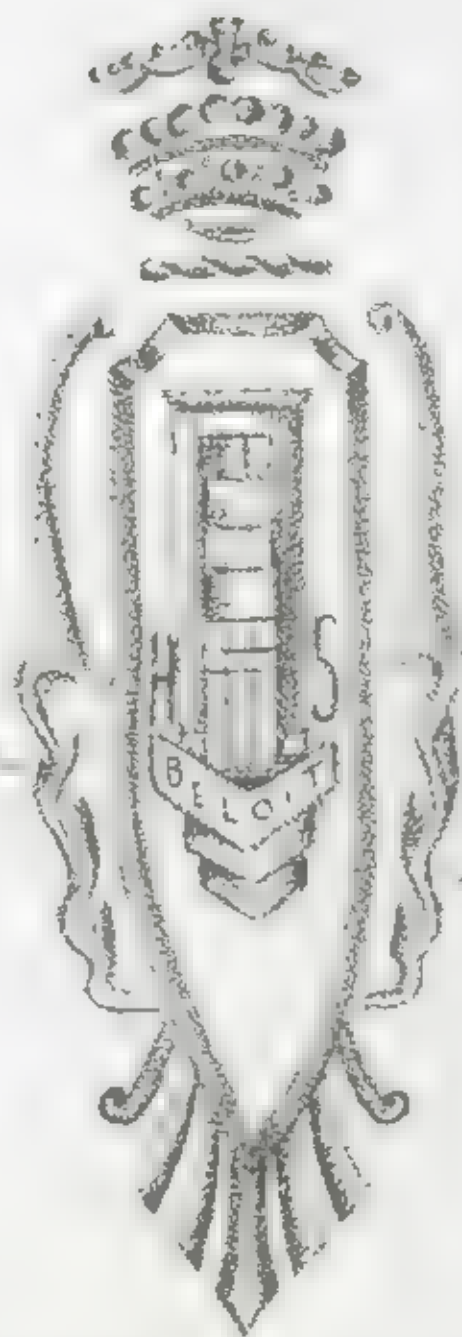

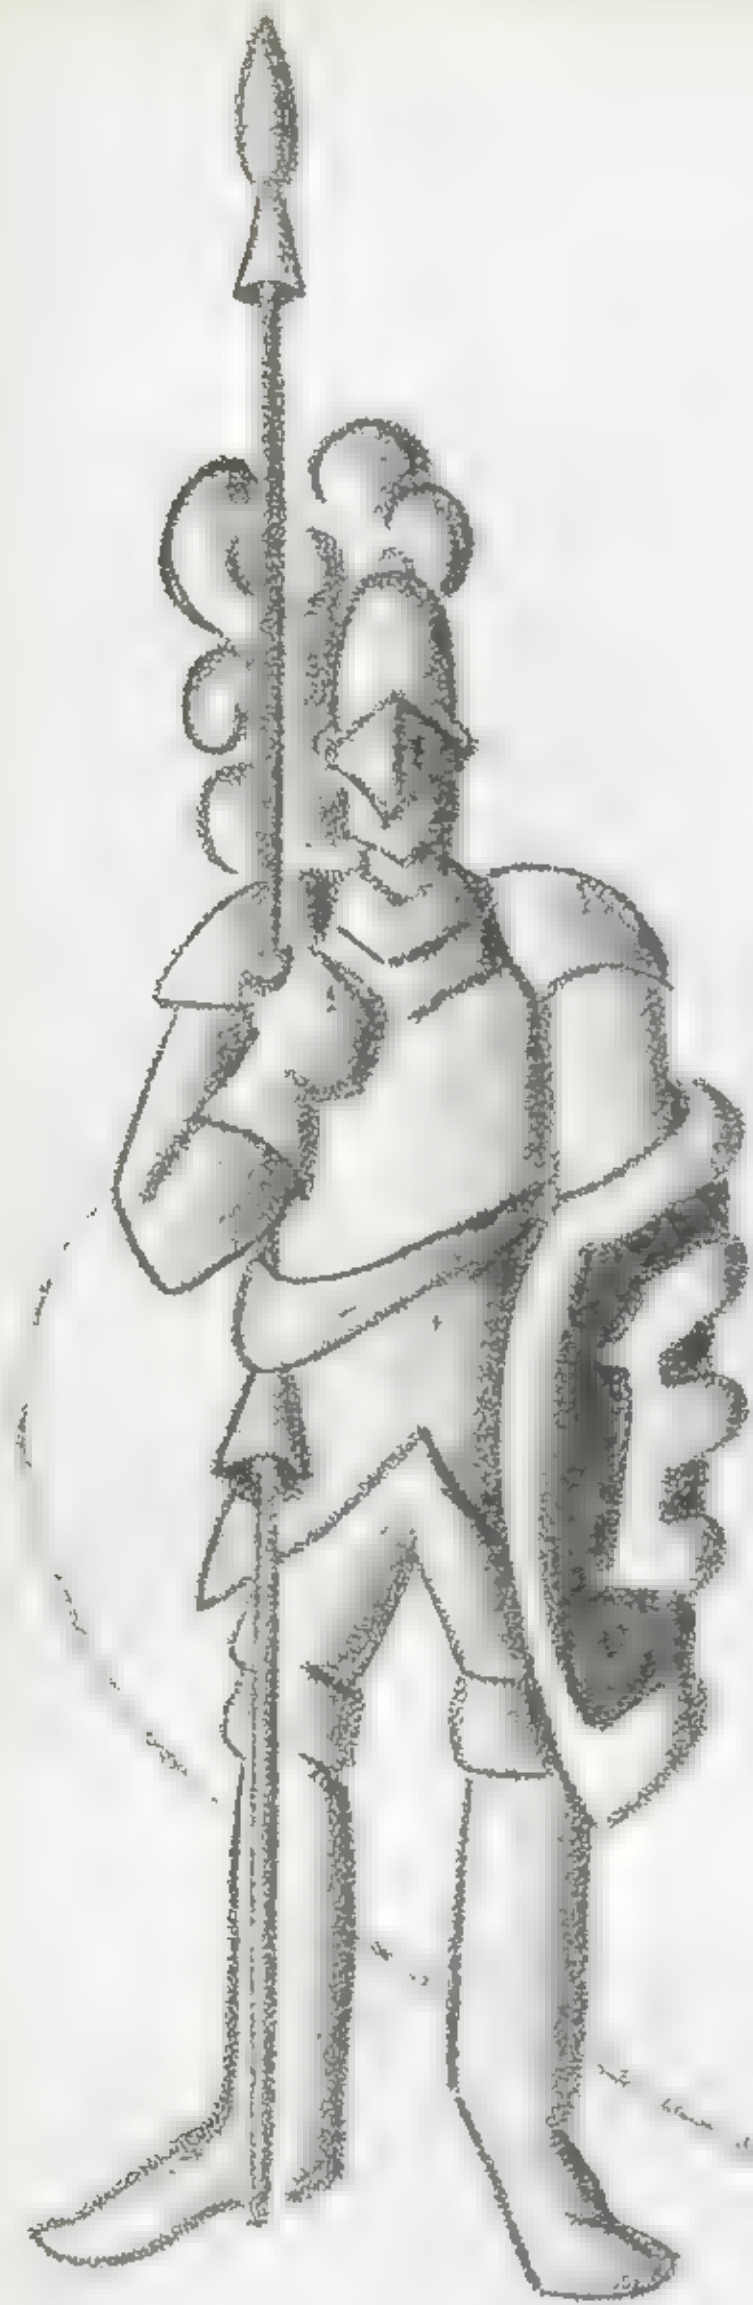

And since we have no gold to give
And love alone must make amends,
God, while yet we live,
Make us worthy of our friends."

A black and white photograph of a large group of students and faculty members, likely the Homecoming Court and their escorts, posing in three rows. The front row is seated, the middle row is kneeling, and the back row is standing. The group is diverse in age and appearance, with many wearing formal or semi-formal attire.

SENIOR MEMBERS ROW ONE N. Swartzart, B. Storer, B. Jaffe (Sec.), I. Fink (Tre.), B. Gerson (V. P.), D. Cransoffo (Treas.) E. H. Glick, "Guest," ROW TWO I. Strass, V. Finkelshteyn, R. Miller, B. In any high school, the student council is one of the busiest and most important organizations. The Beloit High School Student Council is certainly no exception.

This year's council, headed by Lawrence Engel, Barbara Laffel, Lario Grandillo, and George Bond, is comprised of a select group of individuals who have tried to set good examples for the following students. These are the leaders of the school, and they have shown this through their work in the organization of such events as the Homecoming, the Student-Faculty Banquet, Managerial Meeting, an exchange meeting with the Janesville High School Student Council, and various dances held during the school year.

The Student Council makes money by selling book covers and taffy. In fact, the taffy sold so well this year that the council had to order a second shipment about a month after the first shipment had arrived.

This year David Grandeffo introduced the idea of having a mascot to accompany the cheerleaders at the games. The idea was enthusiastically approved, so David and his committee wrote to several different costuming companies, but nothing definite was decided. Since the action was started so late in the year, the costume for the mascot wasn't obtained early enough so that it could be used at any of the games. By next year, however, the mascot, a Knight, should make his appearance.

Through the action of the Student Council, our school has adopted a little Greek girl named Mary Pelardi, to whom we send clothes and food. Correspondence is carried on regularly. We're very fond of this little girl, and we intend to carry on this program for an indefinite period.

BARBARA HEFFEL

Library Club

President, Nancy Ross, Vice President, Bess VanKeuren, Social Chairmen, Marjorie Weaver, Janet Bolin.

The chief function of the Library Club is to awaken the student's interest in the library and in books. This year with the able advisorship of Miss Gayton, Librarian, the club has arranged many attractive displays in the school library concerning new books which have been purchased.

Membership is open to those who so willingly serve the majority of the school "behind the counter." Not only must the girls check out books, but they must find the correct card and shelve the book.

The members include: Janice Henderickson, Marjorie Weaver, Laura Stoner, Nancy Ross, Bess VanKeuren, Sharon Gutzmer, Barbara Pickering, Barbara Bergmann, Larry Simpson, Barbara Nelson, Alice Furman, Janet Bolin, Mary Jane Patch, Vicki Van Galder, Lytton Musselman, Margaret Sulanke, Jerry Brown, and Richard Royce.

Junior Red Cross

Because so many students indicated an interest in Junior Red Cross in September, we formed two clubs this year, one meeting on Monday nights and one on Tuesday.

Our first concern was the enrollment drive, 89% of the student body joining the Junior Red Cross. We sent two of our members, Carolyn Brooks and Luanne Mahlum, to a conference at Green Lake in November. At Thanksgiving we sponsored a food drive for four Beloit families. Christmas wreaths were made and taken to rest homes in Beloit. In the spring we concentrated on our big project for the year, a chest filled with supplies to be sent to some disaster area in the world.

Quill and Scroll is an honorary society for high school journalists. Qualifications for membership are that students must be in the upper third of their class, they must have sixty inches or more of published material or have done superior work in editing or business management, they must be of junior or senior classification, and they must be recommended by the supervisor or by the committee governing publications. The aim of Quill and Scroll, a non-profit organization, is to encourage and reward individual achievement in journalism.

Because some students have proved invaluable in their contributions to the two publications but were ineligible for Quill and Scroll because they did not meet scholastic requirements, the organizations wish to bestow upon them special thanks and recognition. These we have called members of our honorary group.

"Gigi" at home with her Beloit "parents," Dr. and Mrs. Chad Walsh.

"Gigi" points out her home country of Switzerland to Roxie Luke and Larry Engel, Student Council president.

The Beloitster asked our foreign exchange student, Gisela Hermannuz (better known as "Gigi") to write a few words about her experiences and impressions of her year with us. The following words constitute her reply:

"A year seemed a lot of day, when you are planning it, but it is never enough when you are living it, especially when you have the luck to spend it in a foreign country.

You would like more time to meet people, discuss with them, exchange opinions, more time to get acquainted with the new customs, the language, the way of life, the country itself. That's why I know that back in Switzerland, I will miss Memorial High, I will miss the daily arguments at the cafeteria table, the fire drill during English tests, the green armchairs in the library, the almighty yellow passes, the races from floor to floor, but most of all my teachers and my friends, to whom I owe so much of this wonderful experience."

"Gigi"
Gisela Hermannuz

This year the student body of Memorial High School received a new picture of our little friend in Greece. This is the second year that Mary Pelardi of Rhodes has been our "adopted daughter." Now 11 years old, Mary is a delightful little girl with light brown hair and brown eyes. She weighs 51 pounds and is 4 feet 2 inches tall. We came to know Mary through the Foster Parents' office. Mary corresponds regularly with senior Roxie Luke who has been in charge of the program this year.

BELOIT 13 - ROCKFORD EAST 19

A very green and inexperienced Beloit team played a well-drilled and strong Rockford team the first game of the season. Although Beloit started the game with only four experienced boys, they played well and made it a tough game all the way. The Knights showed signs of being a very tough team towards the end of the season as they gained experience. There were several times during the game when Beloit moved the ball well on offense only to have the drives stopped by penalties. On defense they developed signs of being tough and aggressive although at times during the game they were trapped and fooled on trick plays which only experience can cure

BELOIT 13 - RACINE PARK 19

The Knights, showing improvement, played a very smart Park team on even terms the entire game. Park, the big eight champions, had to play at top performance to edge the Knights. The game turned out to be a strong running game of Beloit and the passing game of Park. The Knights showed signs of understanding the new offense which later proved to be one of the best in the conference. The Knights were moving the ball well as the game ended and also had the ball on the 6 yd. line as the half ended. With a little more time on the clock it may well have been a Knight victory

BELOIT 0 - KENOSHA 33

In the first home game of the season the Knights had to play the no. 1 team in the state and favorite for the Big 8 championship. Kenosha, up to this time, had won fourteen games straight and was running over all its opponents. Beloit ruled the first half, but failed to score, however in the closing seconds Kenosha scored on a screen pass. The Knights, for the first and only time in the season, gave up and played very poorly the second half. As a result of the first half the Knights learned they were big boys and could handle anyone in the conference.

BELOIT 20 - MADISON CENTRAL 0

Beloit played a very strong defensive game for the first win of the season. The Knights defense stopped everything Central threw against them. The Knight's offense was their usual strong running game, they threw one pass that game. As Coach Myers says, "Let's not throw that ball up for grab unless we have to," and we didn't. The Knight's pass defense was superb with 4 pass interceptions, one of those was run back for a touch-down. An indication of our strong defense was the net yardage gained by Central who is a strong running team and strong running offense. They managed to muster a mere 11 yards the entire game.

BELOIT 33 - RACINE HORLICK 7

In the 1960 Homecoming game the Beloit Knights displayed its most destructive offensive power in many a year as they clearly defeated Racine Horlick. Showing great running power and speed by its backs and a excellent defense, the Knights were in command the whole game. The game was assurance to the player and coaches that the young team was on its way upward. Once again Beloit depended on its running game, not throwing a single pass. The game was highlighted by long scoring runs and a hard hitting defense. This set the pattern for the rest of the year. A superior running team and a hard hitting defense was our trademark.

BELOIT 13 - MADISON WEST 19

In a very wild and hard fought game, Beloit lost to an excellent West team. Once again it was running power against passing. However in this game the Knights passed for one touchdown and set up another on passes. As coach Myers says, "When you need them use them." It was a very hard game for the Knights to lose, because the players and the coaches thought we were the better team. A few bad breaks and two very questionable calls turned the game to West. The Knights fought hard to the end and we were all proud of them. We believe the team, the coaches and the fans will be looking forward to the West game next year.

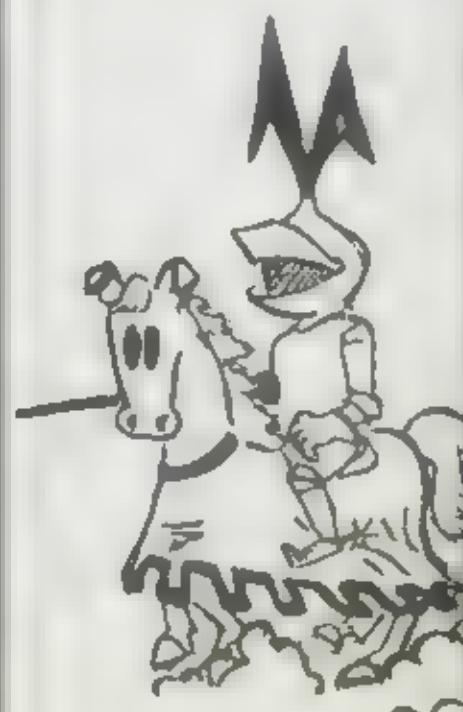

BELOIT 20 - MADISON EAST 14

In one of the best games in many years the Knights defeated a undefeated East team in Strong Stadium. It was a well-played game by both teams. It was power against power, both teams playing the same type of football. Beloit's superior speed and size were the factors that made this a Knight victory. This was the most satisfactory game this season and made Beloit recognized as a football power. The team worked hard all the way and the result was victory. Too much praise cannot be given to both teams for displaying a very high caliber of football which athletic enthusiasts of the community appreciated very much.

BELOIT 7 - JANESVILLE 6

Three days later the Knights met a fired-up Janesville team. It turned out to be a real close game with Knights meeting frustration at every corner. Everything seemed to go wrong; we even had a touchdown called back. In the final minutes of the game Janesville was ahead 6-0 and things looked bad. We called a reverse which resulted in a long score. The kick for the all-important extra point was made and as the ball sailed through the uprights we went ahead 7-6. Janesville was unable to move against the Knight defense and thus the rivalry game ended

After eight years, cross-country was reinstated as a sport at Beloit High School under the coaching of Paul Nee. The workouts were divided between the high school track and the Municipal golf course where a 2.2 mile course was laid out. The record of the team was not good as far as wins were concerned but great strides were made in getting the sport reestablished. As track coach I feel that this sport is indispensable in the developing of a successful track team; I also feel that basketball and wrestling will gain by having team members out for this excellent conditioning sport. This is a sport where no glory is won; few spectators ever attend and a boy, to be successful, must love to run, have a tremendous desire to achieve, and be a true competitor.

F. REICHSTEIN MEMORIAL

QUADRANGULAR WRESTLING TROPHY: Last February the Purple Knights went to Racine Park to participate in a wrestling meet between Racine Park, Racine Horlick, Janesville, and Beloit. Beloit and Racine Park tied for the trophy with 81 points each. Racine had the trophy for the first six months and we had it for the last six. This is the first trophy the wrestlers have won in the last six years.

BELOIT JANESVILLE SUPREMACY TROPHY: This trophy was donated by the "B" club and the "J" club and is given to the school that wins the most varsity games during the school year. Beloit already has a good start to keep the trophy.

Frank Reichstein Memorial Trophy: Frank Reichstein was a sports writer for the "Beloit Daily News" and this trophy is given to the senior who was an outstanding athlete all through high school.

Top Bowlers

Joe Swanson

Seventeen year old Dave Tarrolly's ten year bowling experience won him the number two berth in the Beloit Daily News Merchant Tournament, December 26-27.

Having taken up the sport when only seven, he has pursued his efforts to a position on league teams for the last two years. Tarrolly rolled a 280 in the Daily News tourney placing him second highest and the youngest to ever finish this high, losing to Gary Wolfe by 7+ pins.

Tarrolly's total pins of the twenty games would have won him all but three of the previous Daily News tourneys. Joe Swanson, who won tenth place in this tournament, would have won three previous tourneys with his total pins.

The Beloit Purple Knights opened the season on a somber note as they bowed to De Kalb at the Northern Illinois University Fieldhouse 60-39. On the strength of 46% shooting, the Barbs held leads of 15-20 points throughout.

Beloit fans had the opportunity of seeing a truly outstanding team - Rockford East - trounce the Knights 81-42. Skip Thoren, East's 6' 9" center, tossed in 33 points while Rhodes and Everill each had 8.

Kenosha handed Beloit a 68-62 setback in the conference opener. Failure to cash in on numerous close-in shots and poor foul shooting cost the Knights dearly. Norm Johnson paced the attack with 18.

Using a zone press to good advantage, Barkin's boys downed Racine Park 65-54 for their first win of the year. Jim Buroker with 17 and Norm Johnson with 15 led the victors.

Taking to the road the following night, Beloit pounded Racine Horlick 73-53. A zone press and 45% shooting were too much for the Rebels. Bill Dietsch was high for Beloit with 13.

Beloit picked up their third win in a row as they rallied to defeat Madison Central 58-47 in the Downtowners' gym. Chuck Everill, playing his finest game of the season, accounted for 25 points.

Illinois basketball proved too much again as Freeport handed the Knights a miserable 71-28 shellacking. Gay Lee with 6 led the futile cause.

In a pre-Christmas Eve battle, Beloit was beaten by Madison West 61-50. West, paced by Ralph Farmer, led throughout. Bill Dietsch poured in 20 for the Knights.

Hitting 47% of their shots, Beloit easily coasted by Racine Horlick for the second time 73-50. Johnson and Lee with 22 and 20 were the big guns.

Two free throws by Gay Lee with seconds remaining gave the Knights a 63-61 win over Janesville. Bob Banks came into his own in this encounter by bagging 14 markers in a reserve role. Johnson had 18 while the Bluebird's Pat Schloemer was high with 30.

Beloit lowered the boom on Harlem 69-63 the following night in the last non-conference tilt. Norm Johnson continued his torrid shooting as he banged home 22 points, Everill had 16.

Highlights

The Knights journeyed to Madison only to fall victim to a rugged East squad 66-56. The Purgolders' strong rebounding led to Beloit's downfall. Norm Johnson popped in 20 and Chuck Everill had 14 in a losing cause.

Rallying twice from the brink of disaster, Beloit was dealt a heart-breaking 59-57 loss to Madison West. Harry Kingsbury netted 21 for the Regents while Captain Chuck Everill paced a balanced Knight attack with 12.

Entertaining Kenosha in the "Fourth Street Arena," the Knights avenged a previous loss by turning back the Red Devils 58-51. Banks and Buroker hit the nets for 15 and 13 respectively.

Racine Park blasted Beloit 63-43 to knock the Knights out of the title picture. Park took a 23-7 first quarter lead and coasted home. Bob Banks, elevated to starting status, was Beloit's only bright spot with 17.

In a free-throw shooting contest, Beloit toppled Madison Central 61-54. Ron Dintemann took scoring honors with 22 while Bob Banks hit 16 for the victorious Knights.

Traveling to Janesville - caravan and all - Beloit's fans saw a dedicated Bluebird five nip the Knights 66-56. Trailing 49-43 at the end of the third period, Beloit blew two fast breaks and the game. Schloemer had 22 while Bob Banks, the slender senior, collected 17.

Beloit bombed a favored Madison East quintet 66-58 to close the regular season in a blaze of glory. The triumph gave Beloit an 8-6 conference mark - good for third place - and a 9-9 over-all record. Bob Banks and Gay Lee flipped in 14 apiece as the curtain came down on a successful campaign.

Paced by Jim Buroker, the Knights opened tournament play with a 65-49 conquest of stubborn Delavan-Darien. Gay Lee, for the second time this season, was instrumental in a victory over Janesville. The Knights won 57-44 with Lee tossing in 18 points and dominated both boards. Bill Dietsch played a fine game on defense. Beloit bowed 77-74 to unheralded Elkhorn in the finals of the Regional Tournament. Gay Lee again led the Knights with 23 points and many rebounds.

Batting - Champion

Baseball Knights Big Winners

The Beloit High School baseball fortunes got long mileage on a squad that was riddled by graduation. Phil Plautz, a catcher, along with Jim McCauley, a utility player for two years, and Ted Reimer, who spent most of his junior year in the outfield, was the nucleus around which the winning team was built. A whole new infield was put together, then rejuvenated during midseason.

Two sophomores who showed fine progress in early J. V. games took up the slack in varsity play. Jack Merrett stimulated both the offensive and defensive play at second base, while Jim Buraker's power at the plate won a position in the outfield.

Superb pitching took an otherwise mediocre team to great heights. In spite of many costly errors, Ted Reimer and Whitey Gilbertson were able to execute the big out under tight conditions. Often the strike-out was the actual weapon with which the opponents fell by the wayside when the bases were well populated. Reimer marked up 12 strike-outs in four different games. A combined effort by Reimer and Gilbertson whiffed 14 Janesville batters in ten innings 2-1 win which set up Beloit's big chance to win the Big Eight. Beloit's pitching, varsity and J. V., turned in six shutouts. Whitey Gilbertson had three white washes including a no-hit-no run game against Racine Horlick. Reimer chalked up a pair and Merrill Dixon hung the horsecollar at Janesville for his effort.

For the second year in a row the Beloit baseball team took second place in the Big Eight Conference. This year the "rain champions," Kenosha, took first place by the narrow margin of seven wins and two losses. Inability to gain a decision over Madison Central stood between Beloit and first place. Central took a two extra inning game at Beloit and a 2-1 decision at Madison in the final contest.

Beloit's overall varsity season record was 9 wins and 2 losses. The J. V.'s came out with 7 wins and one loss while the sophomores had seven wins with no losses in the City Junior League.

Special honors went to Ted Reimer who was voted M. V. P. and Joe Chamberlain was elected Captain. Phil Plautz was the sixth Beloit High School baseball player to be selected by the Milwaukee Braves as the Silver Slugger of Southern Wisconsin. Plautz was the starting catcher for the Wisconsin-Michigan All Star Silver Sluggers against the Metropolitan All Stars at County Stadium in August. Joe Chamberlain and Gary Schoonover led for the batting championship with a .375 average.

Jack Merlet preparing to make second out

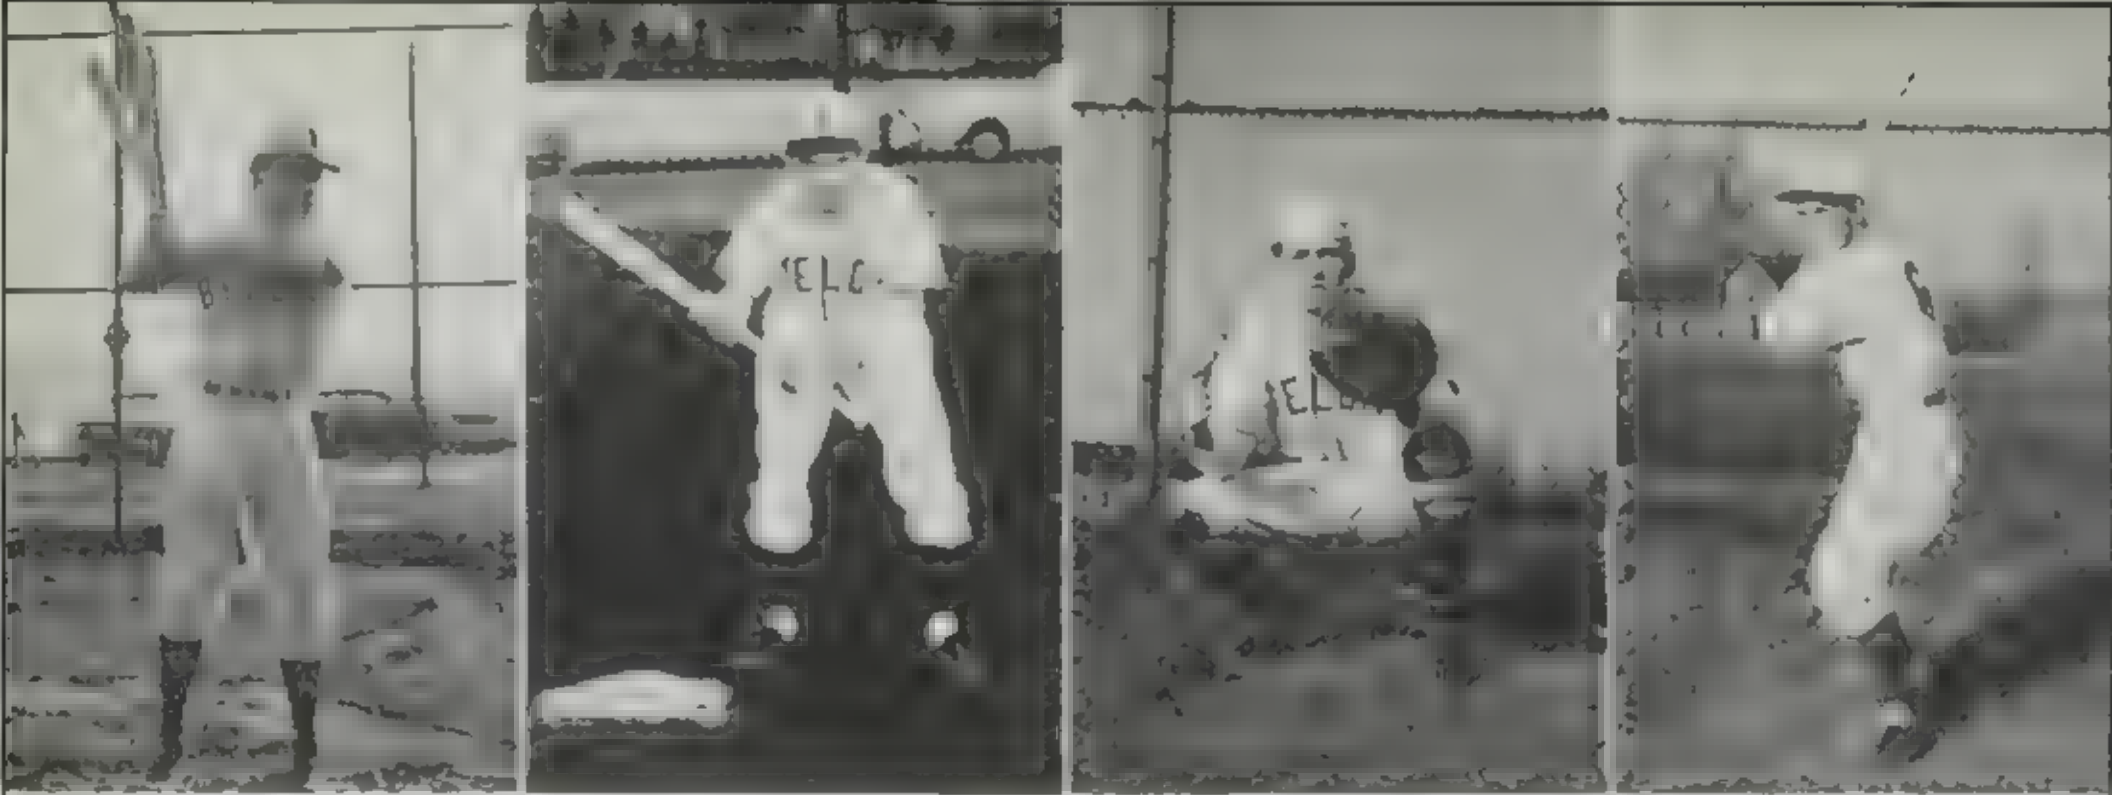

On a cold April 2, Beloit turned back Rockford West 6-2 to open the season. Ted Reimer gave up a pair of scratch singles along with a third solid hit, but a pair of unearned runs in the fifth on a pair of errors and a base on balls sandwiched around an infield hit did the job in giving Rockford two runs. Beloit scored early when Dan Hollibush, who collected three hits, sent Gerry Menne across with the first run of the game on his second double of the game in the bottom of the second. Three runs in the third salted the game away. Singles by Joe Chamberlain and Norm Johnson, along with an error, a base on balls, Ted Reimer's double, and a sacrifice by Phil Plautz made it 4-0 after three innings. Beloit matched a pair of Rockford runs in the bottom of the fifth on Plautz's single, a base on balls and Joe Chamberlain's double off the center field fence.

The Knights opened Big Eight Conference play at Madison with a 4-3 win over West. Ted Reimer, who let West with a pair of hits, but shaky support kept West in the game as Beloit collected nine hits at franchise. Dan Hollibush and Phil Plautz, each, collected a pair of hits. A lead off a double by Hollibush, followed with singles from the bats of McCauley, Phil Plautz, plus Art Palmer's sacrifice fly got Beloit off to a rousing 2-0 start. A base on balls with the sacks loaded in the fifth put Beloit in the lead 3-2 after having been tied by West on a pair of errors and Jim Corcoran's double that hit the chalk line in the third canto. An error opened the gate for West to tie the game in the bottom of the fifth, as John Rast singled home a run. The winning run for Beloit was scored in the sixth on successive singles by Gary Schoonover and Dan Hollibush, followed by a throwing error on Chamberlain's ground ball to short. With the tying run in second base in the last of the seventh and none out Ted Reimer struck the side out.

Ted Reimer whiffed 12 Cheese Makers from Monroe with his third victory of the season and his second two hit performances to win 4-0. Dave Grams matched Reimer until the fifth when a base on balls to Jim Buraker, who started his first game, and a late play on Gerry Menne's fender's choice ball to short started a rally. A double steal preceded Gary Schoonover's two run pitch single. A base on balls, Reimer's single, and another double steal set up Art Palmer's two run single in the sixth. Reimer and Palmer with 2 hits each, paced the Beloit hitters.

Ted Reimer struck out 12, held Racine Park to one hit, as he pitched shut out ball and was leading 14-0 at the end of six innings. A switch of pitchers put Park trailing with one out 14-7, when Whitey Gilbertson made his Big Eight debut to retire the side. Ted Reimer belted out four hits in as many times to bat. Home runs were hit by Phil Plautz, Joe Chamberlain, and Dan Hollibush. Chamberlain, McCauley, and Gary Schoonover drove in three runs apiece.

It took five runs in the top of the seventh at Janesville after two were out to pick up Beloit's fifth win in a row and to perch on the top of the Big Eight standings. Janesville had taken a 2-0 lead in the sixth off Reimer, though both runs were unearned. With two out, Palmer walked. Dave Hanewall took over as a pinch runner. Jim Buraker ripped a single up the middle for a run. The shortstop booted Menne's ground ball. Then Jack Merlet drove in the tie-breaking run. Dan Hollibush singled before Joe Chamberlain unloaded a two-run triple to wind up a rousing five run rally. Whitey Gilbertson took care of Janesville in the bottom of the seventh.

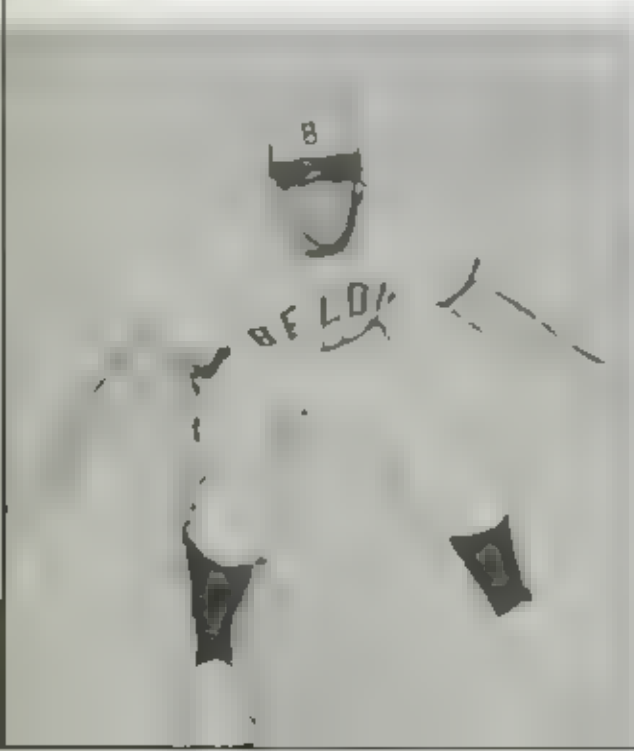

Pitcher Ken Grauvogl's two run homer in the top of the ninth, which was the second extra inning, upset Beloit 6-4 at Summitt.

Central out-hustled Beloit with a pair of runs in the first inning in which Beloit was able to get only one back on Jim McCauley's single. Central made it 3-1 in the fifth, but a two run single by Joe Chamberlain in the seventh tied the score. Beloit had a chance to win in the eighth, but an over slid bag at third with one gone snuffed out the rally. **Jim Buroker homered in the bottom of the ninth.**

Beloit got back on the win trail with a 5-1 triumph over Janesville. For the third time, Ted Reimer struck out 12 hitters in the seven games. Beloit took an early 2-0 lead with Dan Hollibush leading off with a single. Merlet got Life on an error and Chamberlain loaded the sacks on a bunt single. A base on balls to Reimer and catcher interference to Plautz did the rest of the damage. Janesville got one run back on a pair of hit batsmen followed by Bill Baumgartner's single. Singles by Plautz and Buroker scored Reimer who was safe on an error in the third. Successive sacrifices by Phil Plautz and Art Palmer scored the singled Reimer in the fifth for the final run.

Beloit knocked Madison out of the Big Eight race with a 12-11 win. Whitey Gilbertson, after pitching three innings, came back in relief in the seventh to get his first Big Eight win. Jim McCauley singled home Jack Merlet with the tying run in the bottom of the seventh and a boot by the shortstop let Joe Chamberlain, who had walked, scamper in with the winning run. Jack Merlet, Dan Hollibush, and Jim Buroker, each, collected a **brace of hits, with Buroker and Hollibush driving in 3 runs apiece.**

Beloit pitchers, Whitey Gilbertson with 10 strike-outs and Ted Reimer with 8, had to wait until after ten innings and Norm Johnson's scratch pinch off Arnie Quarna to gain Beloit a 2-1 win over Janesville. Failure to slide at the plate in the fourth inning prolonged the game. Janesville had the potential winning run at third base in the last four innings but was unable to score. Jim McCauley singled to take a 1-0 lead in the first inning. John Powers' double matched this run in the second. Reimer singled in the tenth, moved to second on a pass ball, and to third on Art Palmer's sacrifice from where he scored on Johnson's single down the third base line.

Racine Horlick's Don Radtke hurled a one-hitter at Beloit, but dropped a 2-0 decision. Ted Reimer gave up only three scattered hits and for the fourth time struck out 12 batters. Jim McCauley got the only Beloit hit which drove in Joe Chamberlain who had walked and stole second in the bottom of the first inning.

Jack Merlet, safe on a fielder's choice, stole second in the third inning and came all the way home when the throw got by the second baseman into center field.

Whitey Gilbertson hurled a no-hit no-run 7-0 win in the second game against Horlick while striking out 10.

Beloit dropped its second game of the season in a tough encounter 2-1 to Madison Central. It was Beloit's second loss to Central, and the loss gave Kenosha a quarter game advantage over Beloit for the Big Eight Championship.

Beloit had numerous chances to score but great defensive work by Central, thwarted the efforts. Central, too, had scoring opportunities in every inning but cashed in a pair of runs in the fifth after Beloit had taken a 1-0 lead on a single by Hollibush and Jim McCauley sandwiched around Chamberlain's sacrifice. After one was out in the fifth, Ed Corcoran was hit by a pitch. Keith Grauvogl walked. Myron Lyon singled in the tying run, putting Grauvogl on third. A wild pitch scored the winning run.

The 1961 season will require the rebuilding of a new infield. Only Jack Merlet, who broke into varsity play during midseason is in the plan, however. The Junior Legion infield of last summer that dropped only 2 games in 26 played and won 18 without a loss in State Line League play will get the starting call unless some improvement over them is found. Senior Gary Schoonover who tied for the batting championship last year is expected to take over third base and juniors Bill Tracy at short, Jack Merlet at second and Gay Lee at first base.

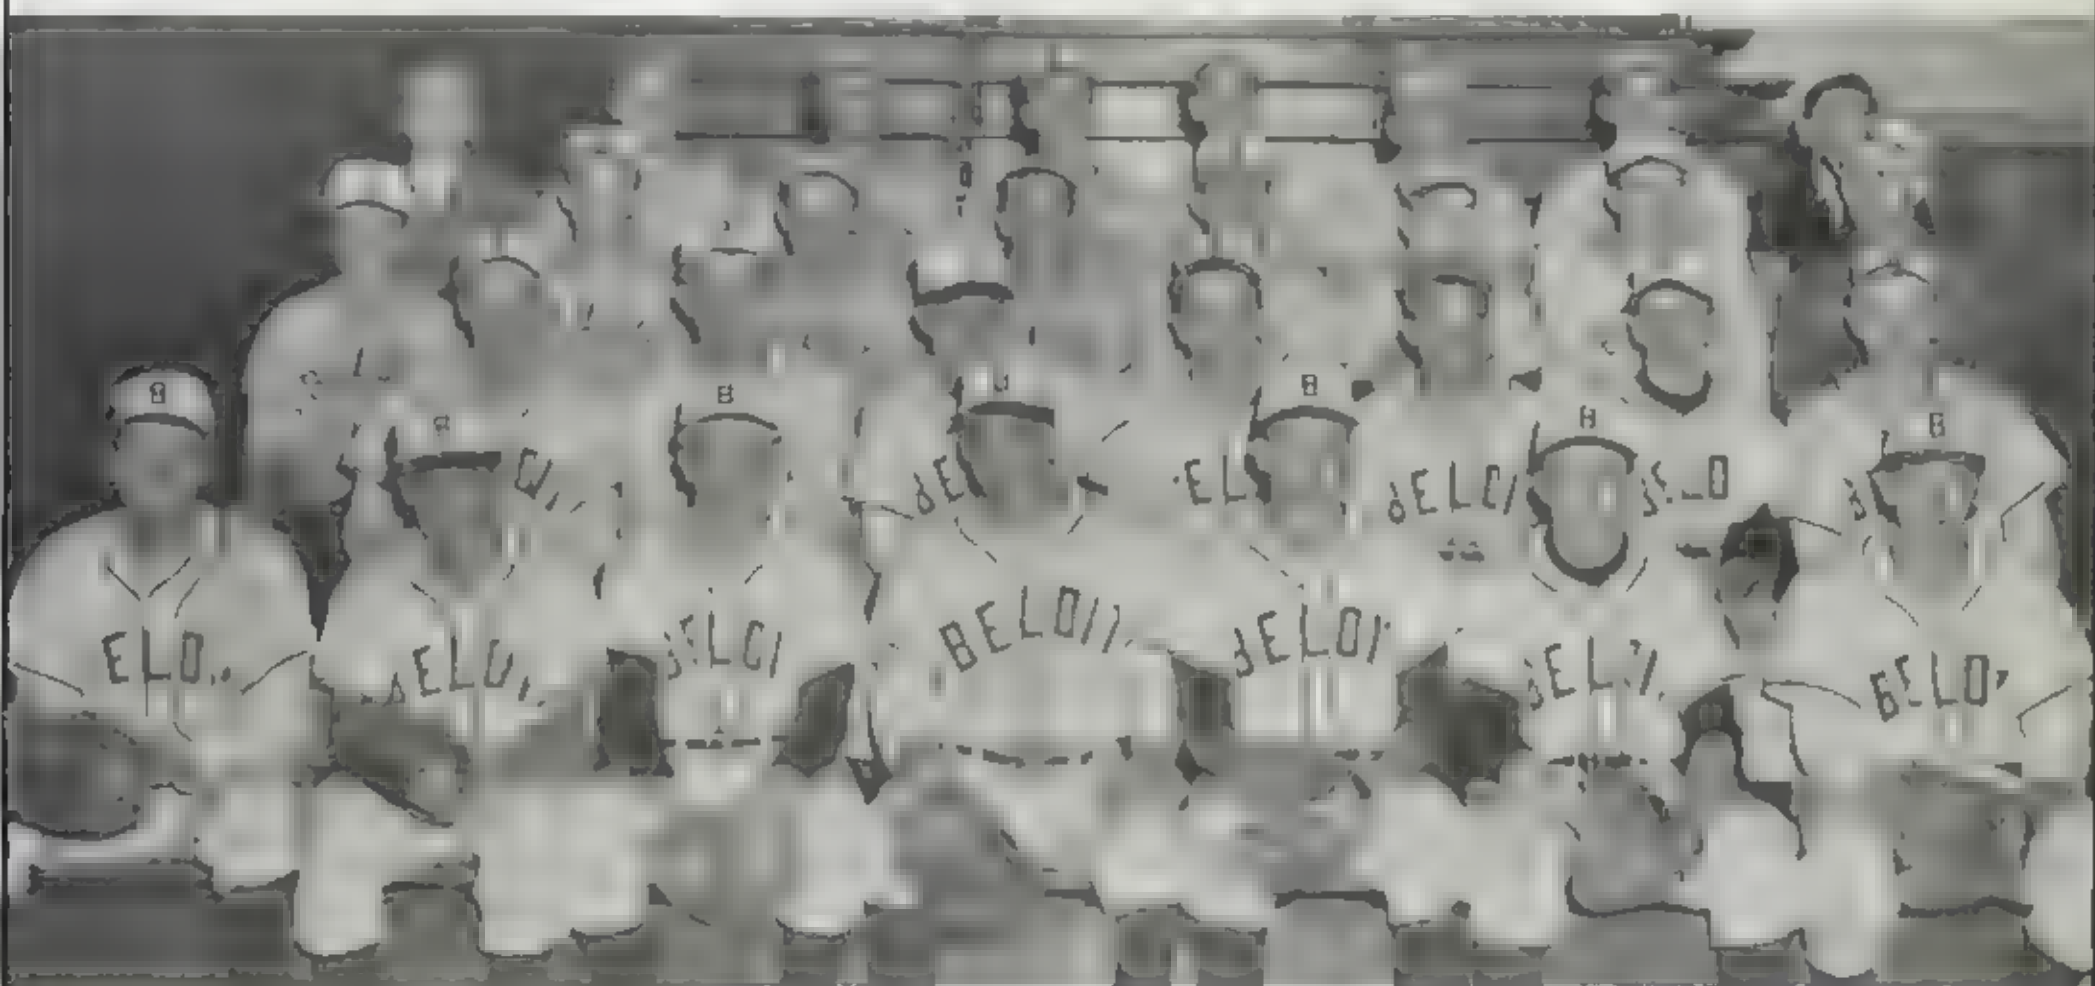

Dan Hollibush who had shown good potential with the stick will be in the outfield with Jim Buroker. Plans for another outfielder will need to be sought on the practice field since the slugging pitcher-outfielder Merrill Dixon who was pegged for the clean up spot in the batting order has entered high school at Danand, Illinois.

The big pitching load will fall heavy on the shoulders of the slim stylish left hander, Whitey Gilbertson, since his able cohort Dixon moved. Gilbertson won 17 games without a loss including a no-hit-no-run game and three shutouts in 1960.

Norman Johnson who has demonstrated good ability behind the plate will get the first call there with Syeve Schockley in reserve.

Additional pitching help will need to come from Steve Gjarmaty, Gary Gonfiantini, and Jim Starr unless there is a sophomore surprise package that will have poise enough to move into the line-up.

Scrapping for the open position and a spot on the team will be Rod Jaquish, Bob Rasmussen, Bob Kaun, Jim Chamberlain, Arno Wright and Dave Hanewall all up from the sophomore team from last year.

Knights of the Court

For the second straight year, Seymour Provus' men finished among the top ten teams in the state. The Knights posted a dismal 1-4-1 mark in dual meets, due mainly to the lack of depth. A 10-3 drubbing of Janesville eased the pain.

When the tournament bell rang the Big-Four - Arnold Hewes, Art Rhodes, Jerry Shinkay and Chuck Everill - were ready. Rhodes and Hewes finished 1-2 in the sectional singles while Shinkay and Everill walked off with the doubles championship. The racketeers scored 30 out of a possible 30 points in the ten team Janesville sectional.

Journeying on to the state tournament, the Big Four finished a respectable eighth.

Representing the Knights will be Fuller, Hoey, Wall, Rickard Black and John Carney. Carney is a transfer from B. C. H. and has fared well in our city tournaments.

After Graduation ...What?

College-bound? Career-minded? Going places?
Whatever you do, you'll be more on your own
tackling new problems, learning new things,
meeting new people! The impression you make is
important...and the first step toward a
good impression is the choice of the right clothes, the
right shoes for the occasion. Learn the importance
of always wearing an appropriate pair of Freeman shoes.

Our American Way of Life
Could Not Exist Without It

Advertising has been so busy talking about others it hasn't had time to talk about itself. It is the least understood industry in America. Yet it is a basic economic force.

It helps the farmer sell his crops. It helps the manufacturer sell his factory output. It helps the merchant sell his wares. It helps the technician sell his skill. It encourages giant corporations to tool up for mass production by speeding mass consumption. IT IS ESSENTIAL TO OUR AMERICAN WAY OF LIFE.

In short, America is a Better America-thanks to Advertising!

BEST WISHES TO OUR FRIENDS AND NEIGHBORS . . .

We're here to wish the best of everything for some of the nicest people we know - the Beloit Memorial High School Students and Teachers. And especially, here's luck to the graduating seniors as they enter a new and challenging world.

We at McNeany's have always tried to offer residents of this area, in school or out, the best of everything at a price they want to pay. We have continuously made a special effort to maintain pleasant surroundings and to offer kind and courteous service.

So, whether it's good wishes or good things to buy . . . we offer the best for our friends and neighbors.
